aten of the Rio Grande.

Riding up the dusty brown road at such a rate that one misstep May we not lose a thousand citiwaten, of the Rio Grande. at a slow pace was an army officer upon a large sorrel thoroughbred, which seemed ever impatient to move more rapidly onward. The rider was a young man, with

a handsome sun-browned face. He had bright gray eyes, a light moustache hid his well-cut lips, and a wealth of dark brown curly hair clustered around his head. As he was passing a wayside house, the owner came out and hailed him.

"Colonel, hold a minute." The young officer turned his horse and rode up to the man. "Colonel," said the man, "that Mexican hand of thieves crossed them ail. the river this morning, and they

Yes: I met them this morning when they crossed the river, and they told me they intended to kill the Thomson family before they go back; so I concluded to tell you. I

Why, what have they against two of them away when they were watched the result. trying to steal his horses. They have

to get out of the way."

As they come back. They have gone down in the valley; but, from the Mexicans at about seventy what they said, I think they will yards. They raised their guns and he back in two hours or so." "As soon as that?" said the Col-

ride to camp for troops." "No; and they may be back in an hour; no telling,' "Well, if they may be back so soon, I'd better be going if I wish them. to save the family. Good-day,"
"Good-day," said the man, as the

Colonel's horse bounded at a rapid Thomson's house was about a mile and a half distant. Reaching it, the Colonel rode hastily up to the door and knocked. "Hallo, Colonel Charlie " said the

to murder you and your family." "And I have no mercy to expect from them. That thief-I hurt for attempting to steal one of my horses was one of their gang, and I suppose they are thirsting for revenge."
"Yes, Thomson," said the colonel. "the best thing for you to do is to

The settler hastened away to alarm those within. The family consisted of Thomson, wife, brother and two children—a twelve years of age, and the girl

dustriously as any. The children were put in it, and Thomson's brother-in-law drove away, leaving the rest to fill the remaining wagon. The man had driven but a short distance when the little girl began "Oh, never mind your doll, I'll

get my doll," cried the child. "I'll had won the race. at last her uncle put her out and

told her to hurry straight to her Going back she entered the house unobserved, and sitting down on the floor soon fell asleep, It was some time after the wagon

eled nearly two miles before overtaking it. Then the mother, putting her head out of the wagon, called to her boy: "Where is your sister?
